Online Store

As advertise in our last newsletter, we are officially opening the back to school sale on our online boutique. We would like to remind you that half of the profits will be transfer to the women's national teams budget that went this summer to the Pan-Am games in Rio de Janeiro. Theses girls had to pay the totality of their expenditures. We invite you to help this team by buying early on our website. We would like to draw your attention on the limited quantities of most of these items.

Pan-Am Games

Our two national teams played against high level teams in Rio de Janeiro and the results were not those anticipated. Girls finished 6th and the boys finished 7th. Both teams where in the strongest section of their Round Robin competition. Their chances of finishing first and second of their pool were impossible. They played much better in the classification round and each team won a game.

Eastern Canadian Referees Symposium

The management committee will host a Referees Symposium for both Western and Eastern Canada, as voted at the last CTHF Annual General Assembly. We don't know yet the dates of the Western Symposium but we do know that the Eastern Symposium will take place in the Montreal Area on September 22nd and 23rd. Referees from Ontario, Quebec and the New-Brunswick will be invited to attend this symposium. The symposium will be under the responsibility of the IHF lecturer Mr. Teddy Juliussen. The CTHF COO will communicate with the concerned Provincial Federations in a near future.
